Explanation of amendments, if any: The committee amendment (AM 0242) requires that psychologists and physicians who serve as practical training supervisors for persons seeking provisional licensure as an alcohol and drug counselor (section 71-1,356) or as clinical supervisors for supervised clinical work experience required for licensure as an alcohol and drug counselor (section 71-1,358) have “sufficient training as determined by the Board of Medicine and Surgery for physicians or the Board of Psychologists for psychologists, in consultation with the Board of Alcohol and Drug Counseling, and adopted and promulgated by the department in rules and regulations.”
